Sunday, September 21 – 1:00pm to 3:00pm

You are cordially invited to have your IB Diploma programme students attend the CIS International College & University Fair in San Francisco, California, 21 September 2008.

The fair is designed exclusively for grade 11 and 12 students currently studying in the IB Diploma programme, as well as for students in grade 10 who aspire to the IB Diploma programme.

Students and their parents will come from the greater San Francisco area, across the state of California and from the neighboring states for this unique event.

The fair offers an ideal opportunity for CIS member institutions from the US and around the world to meet with qualified prospective high school students engaged in an international education in the United States. Previous fairs have been held in Atlanta, hosted by CASIE and Washington International School and in Houston, hosted by Awty International School. Approximately 60 colleges and universities are expected to be in attendance.

We look forward to the participation of your IB students, parents and counselors at this event.
